

Dear Friends,

Welcome! Thank you for attending the inaugural *Celebration of Heroes, Heart and Hope*. We are excited to be able to share with you the many inspirational stories of achievement and courage, of inspiration and perspiration, of “never say quit” attitudes in which the Challenged Athletes Foundation (CAF) is proud to have played a role.

CAF is a unique non-profit organization that recognizes the athletic greatness inherent in all people with physical challenges and supports their athletic endeavors by providing grants for training, competition and equipment needs, as well as support and mentoring from more experienced athletes.

Since 1994, CAF has raised more than \$11 million – allowing the Foundation to satisfy thousands of funding requests from challenged athletes in all 50 states and dozens of countries. Eighty-two cents of every dollar raised by CAF provides funding, programs and a growing endowment fund that is getting challenged athletes into the game - and will continue to do so into the future. Whether it's a \$2,000 handcycle, helping underwrite a \$15,000 running prosthetic or arranging enthusiastic encouragement from a mentor who has triumphed over a similar injury, CAF's mission is clear: give those with the desire to live active, competitive lifestyles every opportunity to compete in the sports they love.

We have a very special program and many wonderful and unique auction items (both silent and live) for you to bid on tonight. Remember, it's all for a great cause – making sure that physically challenged athletes have the same freedom to compete and participate in the sports that many of us take for granted.

Many thanks for being part of this special inaugural event.

Sincerely,

Allison Caccoma
Auction Committee Chair
