

## Join Team CAF Wildflower Avia Wildflower Triathlons May 2-4, 2008

Here's your chance to join standout challenged athletes **Sarah Reinertsen**, first female to finish the Ford Ironman World Championship on a prosthetic leg, 6-time Iron-distance race finisher **"One-Arm Willie" Stewart**, Survivor star and below knee amputee **Chad Crittenden**, 2007 ITU Silver Medalist in the above-knee-amputee category, **Scout Bassett**, and many other talented athletes as part of the first-ever Team CAF Wildflower. These amazing challenged athletes will lead and inspire you, creating a one-of-a-kind Wildflower experience. By joining this program, you become part a team motivated by the heart and abilities of your challenged teammates ... A team with access to a custom Wildflower training program by **Hypercat Racing** and plenty of VIP benefits (listed below) ... A team that literally "changes lives" by raising funds for the Challenged Athletes Foundation. The best part: anyone can join the team.

### Members of Team CAF Wildflower will receive:

- A Wildflower Long Course, Olympic or Mountain Bike (limited Mtn Bike entries) race entry
- A custom Wildflower online training program by Hypercat Racing ([www.hypercatracing.com](http://www.hypercatracing.com))
- A custom CAF triathlon race uniform
- A chance to race with challenged athletes
- VIP packet pick-up at the CAF expo booth
- Motivational emails leading into the event
- A team photo of the 2008 Team CAF Wildflower group
- A group swim "warm-up" on Friday, May 2nd
- A large reserved group camping area
- Inspirational campfire pep talks from participating challenged athletes

So how can you be a part of this team and help make a difference in the lives of physically challenged athletes? It's easy – just commit to raising \$1,000 for CAF by April 18. The weekend will be unforgettable and the funds you raise will help pay for specialized equipment, training and coaching expenses for deserving physically challenged athletes around the world. It's a win-win for all. (Already racing, but want to join the fun? Raise \$750 by April 18th and you're on the team!)

We hope you'll join Sarah, Willie, Chad and Scout at the starting line of the Avia Wildflower Triathlons on May 2-4. Remember, without your support, many challenged athletes would never make it there.
