Defying Limits: Power in Motion

Defying Limits brings the Challenged Athletes Foundation community together in Los Angeles for an unforgettable evening celebrating athletes, sport, and the possibilities created through access and opportunity.

Now in its second year, Defying Limits celebrates the athletes who put possibility in motion, the community that powers it, and the supporters who help make it possible.

As momentum continues to build across Southern California and toward LA28, Defying Limits is an opportunity to celebrate what's already in motion and help create what comes next.

Celebrate what's in motion. Power what's next.

Our Mission

It is the mission of the Challenged Athletes Foundation to provide opportunities and support to people with physical disabilities so they can pursue active lifestyles through physical fitness and competitive athletics.

We believe that involvement in sports at any level increases self-esteem, encourages independence and enhances quality of life.

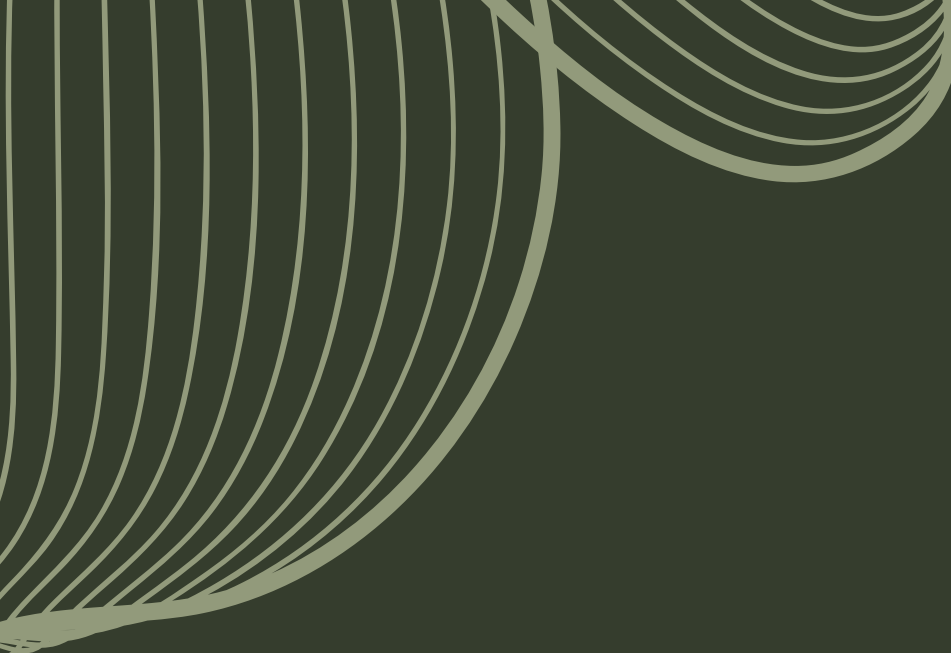

Our Need

Despite the proven benefits of sport, barriers still exist for people with permanent physical disabilities.

The most prevalent factors preventing involvement include the high cost of adaptive sports equipment, a sharp increase in participation expenses, and access to local adaptive sports programming.

Financial support for our mission is vital as we continue our work globally and expand our regional presence in Los Angeles and Orange County.
