Dear Adaptive Surfer,

It is our great pleasure to invite you to be a part of the magic of the 2016 Stance ISA World Adaptive Surfing Championship by participating in the Stance ISA Adaptive Surfing Clinic hosted by the Junior Seau Foundation Adaptive Surf Program and presented by the Challenged Athletes Foundation. The clinic will take place at La Jolla Shores on Thursday December 8<sup>th</sup> from 9am-1pm.

Whether this is your first time surfing or you have been surfing for a while, this surf clinic will give you a chance to develop your surfing skills. Each participant will surf in an approximately one-hour long session with trained surf instructors and water safety volunteers. Top international Adaptive Surfers from around the world will be in attendance to give guidance and encouragement for you while you are out in the water.

Participation in this surf clinic is totally free but space is limited to 40 participants. If you are able to attend, we ask that you please RSVP via the following link prior to November 25<sup>th</sup> so that we can reserve a spot for you: <http://www.isasurf.org/isa-wasc-clinic-registration/>

Along with the surf clinic we'd also like to invite you to be a part of the entire 2016 Stance ISA Adaptive Surfing Championship. Following the clinic on Thursday December 8<sup>th</sup> will be the inspiring Opening Ceremony. The Opening Ceremony will begin at 3:00pm with a Parade of Nations along the La Jolla Shores Beach front and culminate with a Sands of the World Ceremony in Kellogg Park.

The World Championship surf competition will be taking place at La Jolla Shores from Friday December 9<sup>th</sup>-Sunday December 11<sup>th</sup>. This will feature the world's top Adaptive Surfers from over 20 countries and we would love for you to witness this firsthand.

We look forward to seeing you in December!

Best Regards,
