

PLANNED GIVING

Leave a legacy of hope.

Your legacy has the power to help generations of challenged athletes

The Challenged Athletes Foundation® (CAF) has a unique mission to make a difference in the lives of those who face physical challenges every day. The life of an individual or family can be changed in an instant and our efforts give hope to children born with birth defects, accident victims, individuals fighting illness and our nation's injured military. CAF makes a positive impact by providing support, training and adaptive sports equipment like handcycles, sports prosthetics, sports chairs and all things necessary to help people pursue their athletic passions and live a healthy life.

Many of us have experienced the joy and exhilaration that sports brings to our own lives. Now is the opportunity to ensure those benefits reach generations to come.

What is Planned Giving?

Planned giving is designed to create a legacy by helping people plan their personal, financial and estate giving goals in ways that benefit both the donor and ultimately, CAF. The federal tax code allows for several types of trusts and gift agreements to be used as planned gifts to CAF, and in turn provide tax benefits to you.

Planned giving also offers an opportunity for charitable giving in circumstances that may not otherwise allow a donor to make a gift to charity. Bequests, insurance policies, IRA's, gifts of securities or property, and Charitable Remainder Trusts are just a few examples of planned gifts.

How can you help?

Become a Legacy Champion

Recognition as a Legacy Champion is extended to everyone who has made an estate or deferred gift commitment, regardless of the amount, to the Challenged Athletes Foundation. These champions are exceptional donors who provide for the future needs of CAF and create a lasting legacy for their family and ours.

If you have already made your commitment to our future, simply share your intentions so we can recognize your thoughtful generosity.

It is the mission of the Challenged Athletes Foundation® (CAF) to provide opportunities and support to people with physical disabilities so they can pursue active lifestyles through physical fitness and competitive athletics. CAF believes that involvement in sports at any level increases self-esteem, encourages independence and enhances quality of life.
