- In order to get credit for you challenge, you must complete the form for the respective week and discipline (videos are optional).
- You may upload 1-5 videos. Please limit your submissions to five minutes long or less for each challenge (please try to condense into shorter / fewer videos if possible!).

NOTEABLE INFORMATION

- If you have signed up for multiple disciplines, you are only eligible to receive one raffle ticket per week, but we still encourage you complete and record the challenges for all disciplines you are registered for!
- Some weekly challenges cannot be measured in text – for example week one wheelchair racing challenge is transferring from everyday chair to racing chair, which is not measurable.
