

# ROTH's Social Sunday ATHLETIC Charity Events

RIDE • CYCLE • YOGA • PICKLEBALL to Benefit:

Join us to kickoff the 2025 ROTH Conference for an exciting lineup of sports activities, including the **13th Annual Duane Roth Legacy Ride, with an ode to our dear friend, Bill Walton**. Together, we celebrate and support the incredible work of the **Challenged Athletes Foundation (CAF)**. **Last year, we raised over \$100,000 and had over 125 participants** as we supported rising stars on their journey to the 2024 Summer Paralympics in Paris. Since 1994, CAF has raised over \$150 million, supported over 48,000 athletes with permanent physical disabilities and impacted millions more lives. CAF is proud to have supported over 50% of Team USA Paralympians at some point in their journey in no small part thanks to the **more than \$2 million raised by ROTH for CAF**.

The funds raised from your generosity help provide essential adaptive sports equipment like running prosthetics, handcycles, tennis wheelchairs, coaching, training, and competition travel across 105 different sports. Let's build on this incredible momentum and make 2025 another year of life-changing impact!
